the more stories you share the more points you receive that is the best way to increase your snap score because it does not count the viewers so you can post a story with no views and still get a couple of points

follow as many celebrities as possible by tapping on the search icon at the top and typing out their names you might see a bunch of fake accounts ignore all these and subscribe to the verified account marked by a star upon subscribing to one celebrity you will see a list of similar celebrities to subscribe to follow all of these accounts too

if you haven t used snapchat in a while your first snap will earn you six points by clicking the three blue lines in the upper left corner of your screen after selecting a friend to communicate with you can check their snapchat scores next to their username will be an indicator of how well they did

in fact they ve just been incredibly active on snapchat which has boosted their score significantly posting your story numerous times a day and interacting with your snapchat friends regularly can boost your score faster than you would expect

you may be wondering why you should care about your snapscore maybe it unlocks new options or gives you access to free goodies unfortunately that s not the case having a high snapscore doesn t translate into any bonuses it has zero impact on you and your activities on the app

the snapchat score has become a very hot topic of debate over the last several years boyfriends and girlfriends throughout the world are wondering why a snapchat score goes up even when they are not together if my girlfriend is not snapchatting me who is she snapchatting to get her score to increase so much why would her score be increasing by 100 points every single night after i go to bed

you'll be able to log in to snapchat plus plus when the app is installed on your phone you'll be able to create groups if you click on the group button you may put up a group of your favourite snapchat influencers or celebrities you can go ahead and put in as many as you'd like
