vc is nba 2k23 s primary currency you use it to buy new card packs and equally as important to train your players and level up stats unlike nba 2k22 this year s game has no training room the only way to raise attributes comes from spending vc but lucky for you nba 2k23 has no shortage of methods to earn the shiny stuff

this year s mycareer put even more of an emphasis on that as you have to balance playing ball in the arena and out in the streets on four distinctive streetball courts the streetball courts contribute to your initiative of winning over the city snatching it away from your rival shep owens who you re clearly better than anyway

it should also be mention that as with any vc glitches in the nba 2k series employing these tactics in an evident manner may result in your account being ban even though 2k has been less harsh in issuing these kinds of punishments recently keep in mind that using any unapproved route to obtain vc is a risk
