avant de commencer à jouer vérifiez que vous avez les trois fichiers sur votre appareil fichier apk fichier de données et fichier obb en plus de cela vérifiez que vous avez réussi à extraire les fichiers obb et data et également terminé l'installation du fichier gta 5 mobile apk sans aucun problème ensuite poursuivez le jeu en suivant les instructions ci-dessous

gamers familiar with gta iv and older gta versions will be familiar with the storyline structure many missions are the backbone of the entire storyline and the objective of the game career to advance the storyline these missions must be completed in order although it sounds easy it isn't easy between missions players will have to deal with various dynamic encounters they will need to do side quests or ventures to make money to access further missions

gta five's story has quite a few twists and turns and you'll need to be savvy to hold up with all of them try to finish your aim in this recreation to earn money and honor as that is how you'll gain a recognition in the sport play story mode to get the maximum out of this game

grand theft auto v is an exciting free ranging and completely diverse game based on the world of crime and video with game journalism it's the prequel to the successful grand theft auto series in this game you play as sinner max a notorious street racer who must protect his family and take down the evil boss of his own business with the help of a new friend franklin and his arsenal of guns and vehicles with unique abilities

si l histoire principale fait partie des grands succès du jeu d origine nombreux sont les joueurs à avoir apprécié la variété des quêtes secondaires prise de clichés compromettants ou encore chasse aux œufs de pâques viennent alors égayer le jeu
