paypal funds do not expire you can leave them in your account for as long as you would like if there is no activity on your account for a prolonged period of time paypal may be required to send the funds to your state marked as abandoned funds this usually will not happen unless your account has been inactive no logins for three years or more it s recommended that you log in and use your paypal account at least once a year if you want to keep funds in a paypal account for a longer period of time without making purchases or withdrawals it would be better to open a banking account

if you choose to leave the money in your paypal account you can use it next time you purchase something online paypal takes money out of your paypal account first before it takes it out of your linked card or bank account

if you re going to be receiving a constant stream of cash into your paypal account then i recommend you download the app that way you ll receive notifications on your phone when the money arrives you can keep an eye on your paypal balance and it s also very quick to withdraw your earnings to your bank account

paypal allows you to make a limited amount of transfers between accounts without incurring the normal fees you can transfer up to 500 per month for free to family and friends or to another paypal account that you own you can also transfer any amount to your bank or credit card account without charge as long as the account is linked to your paypal account

the paypal free gift card generator is a great way to get free paypal money without having to spend any money you can generate virtual money and then transfer it to your paypal account you can also use the money you generate to purchase products online or send money to friends and family

the paypal gift card generator is a free easy to use tool that helps you quickly generate paypal gift codes all you need to do is enter your desired amount of money and select a currency then you will be provided with a unique code that you can redeem for cash

you will need to have either a confirmed bank account or a credit card to link to your paypal account so that you can send payments you can receive payments without a confirmed bank account or a credit card but you will not be able to withdraw those funds or spend them
