bước vào trò chơi các bạn sẽ bắt đầu làm quen với chế độ đối đầu 1 1 mức đặt cược cho mỗi trận mới này thường khá ít ỏi nên khi thắng bạn sẽ nhận được khá ít tiền nhưng đổi lại các bạn sẽ nhận được kinh nghiệm để tham gia những ván đấu với các đối thủ hạng nặng hơn

every player is geared with this stick which is called the cue in an 8 ball pool game this stick is used to strike the game balls with the cue balls in some online games you can increase the power precision timing and spin ability of the cue stick by using upgrades that have to be purchased

playing friends is easy sign in with your miniclip or facebook account and you ll be able to challenge your friends straight from the game challenge friends anytime anywhere and show off your skills

customize your cue and table in every competitive 1 vs 1 match you play there ll be pool coins at stake win the match and the coins are yours you can use these to enter higher ranked matches with bigger stakes or to buy new items in the pool shop

this is a common problem some of us sweat a lot and gaming under pressure can cause that calm yourself because the sweaty fingers can lock up on the screen and your drag and release might be affected on the cue stick resulting in a poor shot or missing the shot completely

cet avis doit avoir répondu à toutes vos questions sur cheto 8 ball pool hack apk téléchargez maintenant cette application incroyable pour android et pc et profitez en astucesmobiles est une source sûre pour télécharger les fichiers apk et avoir presque toutes les applications de tous les genres et catégories

if you do not have any shots to hit or you are sure that there is no way one of your balls could be potted then hit one of your balls to nullify your opponent s chances do this by moving their most obvious shots away from the potholes or land in a place where they cannot be hit properly
