before getting to the methods however we feel it's best to clarify a few things for one these methods aren't instant pathways to 100 000 vc with minimal effort instead these are generally just shorter form grinds that require less play time to accrue a healthy amount of currency the term glitch has been adopted by the community to describe these tactics but there's a lot more commitment involved than it appears if you're not willing to do lots of rinse and repeat for the extra money these glitches won't be worthwhile to you

**once done most probably you will receive vc for all of your previous games however many players complain that they didn't receive their salaries for the first 3 games on mycareer but they receive all their missing salaries after completing the 4th game**

**the nba 2k23 vc generator is a powerful and easy to use tool that allows users to generate vc quickly and easily the generator has a simple and intuitive user interface making it easy to use even for beginners the generator can generate up to 500 vc per minute and is capable of generating both single and bulk vc amounts additionally the generator is regularly updated with new features so you can stay ahead of the competition and make sure you always have the latest and greatest amount of vc available**

finally the nba 2k23 free vc generator is the perfect tool for those who don't want to spend any money on virtual currency this generator is designed to generate vc for free and is regularly updated with new features the generator is also incredibly easy to use making it a great choice for those who want to quickly and easily generate vc without spending any money

another easy vc method that's making waves in the 2k community over the past few hours involves a glitch on the current gen courts more specifically this glitch works best on the 10k vc courts but it technically functions on any court if you'd like to earn a smaller reward
