in each chapter you will battle with a boss zombie which is more difficult to beat but comes with more rewards you will find different kinds of zombies in different levels that break the monotony of the game

airdroid cast is a great option for this because it not only allows you to cast across different devices but also to control your phone right from your pc it also has features to improve your gaming experience such as high frame rate and video quality screen recording and so on

no but you can get extra items not the weapons but the support items in purple and orange chests so you can go over the limit that way and once you got them you can upgrade them sometimes sometimes you need to find another chest with the item again for it to register that you should be able to level it up instead of giving you gold

today we honor those who have fought and fallen for freedom in memory of these heroes we re running the 50v50 mode ultimate sacrifice for a week and the classic legendary skin chromesis will be available for 50 off until friday 7 2 1p pst

as we said earlier in this survivor io beginner guide the main goal is to survive for 15 minutes in the beginning the zombie count and their speed are reasonably easy to avoid but as the time you survive in the field increases the faster and tougher zombies will come out

it s 6 weapons and 6 items by the way not 10 p and weapons typically go up to level 8 with a few exceptions while the items often go to level 5 except duplicator i think which only goes to two but is broken as fuck
