survivor io mod apk dangerous zombies are attacking the entire city the city is in peril awakened by the trial of dreams you ve no choice but to take on the heroic mantle of saving the city added 10 new chapters and chapter trials all new accessories boomz headphones and drip fashion newly added mission system to help you claim even more rewards new skills durian and laser launcher

in short they each have so few progression tracks that they are both grindy and unrewarding and later she adds given the way the meta is set up the lack of meaningful progression tracks will lead to many occasions in which the player spends money only to not get stronger at all

you will get many weapons and gadgets like missile turrets and lightning generators and when you evolve them you will get to use even a wheel of death or whistling arrow from the guardian of the galaxy to aid you in fights

this especially comes in handy at the end of the first chapter where killing zombies damages you using this you can stay in the circle of fire while zombies get annihilated by it and your projectiles

download the latest version free purchase of survivor io mod apk unlimited money coins diamond gems gold god mode mega unlocked all level it is a popular game app for android ios device smart phone tablet
