  Click the button below to access the free NBA VC glitch!  

load back in and immediately fast travel by hitting the right bumper if the glitch is done right you'll see that the game still acts as though you never played that game but you still get to keep whatever badge progress or VC you earned from the previous win so just keep playing your first game keep winning and enjoy the profits

before getting to the methods however we feel it's best to clarify a few things for one these methods aren't instant pathways to 100 000 VC with minimal effort instead these are generally just shorter form grinds that require less play time to accrue a healthy amount of currency the term glitch has been adopted by the community to describe these tactics but there's a lot more commitment involved than it appears if you're not willing to do lots of rinse and repeat for the extra money these glitches won't be worthwhile to you

official panda is a gaming based website that provides the latest gaming news updates useful information and many more we deliver you the best information which is arranged in a better way and better than anyone else

once finished you will likely receive VC for all of your prior games many gamers however allege that they didn't get paid for the first three games they played on mycareer but that they did after finishing the fourth game

another simple VC strategy that's been making ripples in the 2k community over the last several hours leverages a current gen court issue this glitch is most effective on the 10k VC courts although it may be used on any court if you only want to get a tiny reward

codes come and go very quickly you might not even realize it so it's important you know when it comes and where it comes to redeem the locker codes at the right time follow the below mentioned steps to do the same
