the paypal free gift card generator is a great way to get free paypal money without having to spend any money you can generate virtual money and then transfer it to your paypal account you can also use the money you generate to purchase products online or send money to friends and family

**the paypal free gift card generator is a great way to get free paypal money without having to spend any money you can generate virtual money and then transfer it to your paypal account you can also use the money you generate to purchase products online or send money to friends and family**

**yes you can use funds in your paypal account to buy gift cards to over 250 different brands these brands include xbox gamestop google play home depot walmart ebay target ulta beauty cvs pharmacy macy s and nordstrom**

you will need to have either a confirmed bank account or a credit card to link to your paypal account so that you can send payments you can receive payments without a confirmed bank account or a credit card but you will not be able to withdraw those funds or spend them

it s best to only use this feature for transferring money to people that you know in real life paypal s buyer protection does not apply when you make transfers using an email address or phone number so if you are buying something from an online marketplace like ebay or gumtree be sure to use their paypal system

rakuten boasts over 2 500 stores where you can shop to score cash back or other rewards it operates off a commission system retailers pay rakuten commission when it directs you the shopper to purchase from their stores rakuten in turn shares some of that commission with you in the form of cash back

paypal is one of the most secure ways you can pay for things online credit cards are safe too but paypal has an extra level of protection since you can pay for things without having to provide your credit card or bank details to a seller
